A Benefit Tournament for Ronald McDonald House Charities® of Charlottesville – Celebrating 36 Years of Service in this Community

The Ronald McDonald House Charities® of Charlottesville was incorporated in 1981 as the Hearthstone Children's Corporation by a group of concerned citizens, physicians, local churches, and hospital employees. Hearthstone House was a 9-bedroom facility leased from University Baptist Church. In January, 1988, Hearthstone House became Ronald McDonald House Charities® of Charlottesville. It remained in the original facility until July, 1991, when it moved to its current home at 300 9th St. SW. In 2017 Ronald McDonald House Charities® of Charlottesville is proudly celebrating **36** years of service within the Charlottesville community.

The mission of the Ronald McDonald House® of Charlottesville is to provide low-cost lodging and caring for pediatric patients and/or their families while the child is receiving intensive medical treatment at local hospitals. The House offers an affordable, calm, comfortable haven-- a home away from home. For exhausted parents who are already stressed by the illness of their child, it is a place where families can relax, eat together, and find support from parents who are in similar situations. The House has bedrooms for 19 different families, and provides a fully equipped communal kitchen, a stocked pantry, hearth room with fireplace for dining, play room, computer and whole-House wi-fi, a library, and a laundry room with all necessary supplies.

As a non-profit 501 (c)(3) organization, the majority of operating funds for the Ronald McDonald House® of Charlottesville comes through generous donations from local individuals, organizations and businesses. Events such as this tournament are critical to our funding stream. We are grateful for the many, many people who have supported us throughout the years. And, a special thanks to YOU - for making our Annual Golf Classic at Spring Creek such a success.

Thank you for supporting the Ronald McDonald House of Charlottesville!
