Grant Guidelines

Application Deadline: June 1, 2020

The mission of Ronald McDonald House Charities of Charlottesville is to create, find, and support programs that directly improve the health and well-being of children. As part of this mission, we provide grants to fellow not-for-profit organizations whose programs help children reach their fullest potential in the following areas:

- Health delivery
- Illness prevention
- Education
- Advocacy
- Intervention

This information is provided to help your organization submit a successful grant application. Please include all of the information requested with your proposal. Due to the large number of applications we receive, the RMHC Charlottesville Grants Committee will not review incomplete proposals. Also, although your organization may send in a complete application, know that we cannot fund all programs. We may not be able to fully fund even the selected programs. Therefore, as promising as a project might be, it may be declined or only partially funded due to the amount of funds available to us to fund the grant program in any given year.

To be considered for funding, an organization must be designated as not-for-profit and tax-exempt as defined under the Code of the Internal Revenue Service.

The RMHC Charlottesville Grants Committee is most interested in organizations that have:

- Programs directly benefiting children in the Central Virginia area
- Consistent and effective management
- Clear goals and objectives
- A broad base of funding support
- Demonstrated ability to respond to the needs of specific groups of children in a manner yielding measurable results
- A request for specific program support

RMHC Charlottesville does not fund:

- Advertising, fundraising drives, or endowment campaigns
- Partisan, political, or denominational programs
- General and administrative costs
- Intermediary funding agencies
- Salaries or travel expenses
- Requests that are not in writing

We will not fund the same program more than three (3) years in succession. You may apply for a different program in your organization.

Acknowledgement of Receipt and Deadlines

RMHC Charlottesville acknowledges proposals within thirty days of receipt. Grants received in our office after the deadline will be denied. Proper investigation and assessment of your application may take 90 days from the application deadline. You will be notified when the RMHC Charlottesville Grants Committee has completed the investigation of your request.

Awarding of Grants

All committee decisions are reported by mail. The applicants whose proposals have been approved will receive Letters of Agreement outlining the terms and conditions of grants. This letter will highlight arrangements or payment of grant. An authorized official of the organization must sign and return the letter to RMHC Charlottesville, thereby indicating acceptance of the terms and conditions of the award.

Responsibility of Recipient

The recipient of any grant from RMHC Charlottesville must use the funds awarded for the specific purposes for which the funds were originally intended. RMHC Charlottesville requires that a detailed accounting of all funds, along with a follow-up report, be submitted within a year from the date of the grant. Any funds not used in the manner specified in the grant application must be returned to RMHC Charlottesville.

Grantees will be required to present to RMHC Charlottesville Grants Committee, prior to printing, distribution, publication, display or use, any and all promotional materials, publications, articles, pictures, press releases and scripts of all statements, oral or written, to be made by Grantees, their agents or spokespersons, which use or refer to the grant. RMHC Charlottesville will have approval rights with respect to the use of Licensed Marks in the materials and statements submitted by Grantees.

A copy of all other news releases, articles, pictures and any and all other published material, which may be developed in connection with the project or the grant, shall be furnished by Grantees to RMHC Charlottesville prior to publication.

Submission

Applications must be submitted in English only, and should avoid the use of abbreviations. Responses to questions should be single-spaced. Your application submission should include all items listed at the end of the application as well as the application itself. Please do not send videotapes, magazine articles, books or other collateral material at this time. An RMHC Charlottesville representative will contact you if additional information is required. If any one of the required documents is not included, your application will be considered incomplete and its review will be delayed indefinitely or declined.
